

A Non-Profit Organization Empowering Women Girls Night Out, Inc.

WHO WE ARE

Our Mission statement is who we are, "Women empowering women by providing those in need with opportunity and education."

We have given two Missouri Southern State University scholarships for the fall 2009 and spring 2010 semesters. We are currently in the process of selecting a recipient for our third scholarship! Our scholarships are targeted towards non-traditional female students giving them an opportunity for a college education. Our scholarship recipients can continue their GNO scholarship every semester without reapplying as long as the scholarship requirements are met.
